

Welcome to Science 2007

Mrs. Reid

Riptides Team

Materials:

1. There are certain materials that are required for science class:
 - * Section of a 5-subject notebook
 - * Pocket folder
 - * Pen or pencil
 - * Assignment book
2. Once you receive a science textbook it must be covered at all times.

Behavior expectations:

The beginning of class:

1. Line up outside the door until you are instructed to enter. Do not enter the room unless instructed.
2. Take a science starter (if available) and go directly to your seat and complete the assigned task.
3. Write any homework in the correct space in your assignment book.

Classroom behavior:

1. I expect students to follow all school and team rules and expectations.
2. Lab safety rules must be followed. (see safety contract)

The end of class:

1. Students will leave the class when dismissed by the teacher in charge.
2. All tables and lab areas must be left clean organized.
